MOON & SUN Specifics

Tech rider

5 microphones (+stands);

4 for vocals and 1 for a djembe drum

Lined to PA;

1 mono jack for an electric guitar

1 mono jack for a zither (harp like instrument)

2 mono jacks or RCA, either one works fine, for the bands own mixer which is lining backtracks from a computer. It is very important that this is stereo.

Floor plan

A laptop, sound card & mixer stand by the drummer. The bass player needs to be next to the drummer (on either side). On the opposite side stands the percussionist/back up vocalist and the lead vocalist in the middle. Next to her she has a table where the zither is placed.

(mixer)**Drums**

Bass

(table)**Lead vocals**

Back up vocals

Food

Everyone in the band is vegetarian. No meat, no chicken, no fish
